Sony Cyber-shot DSC-WX350 Battery Replacement

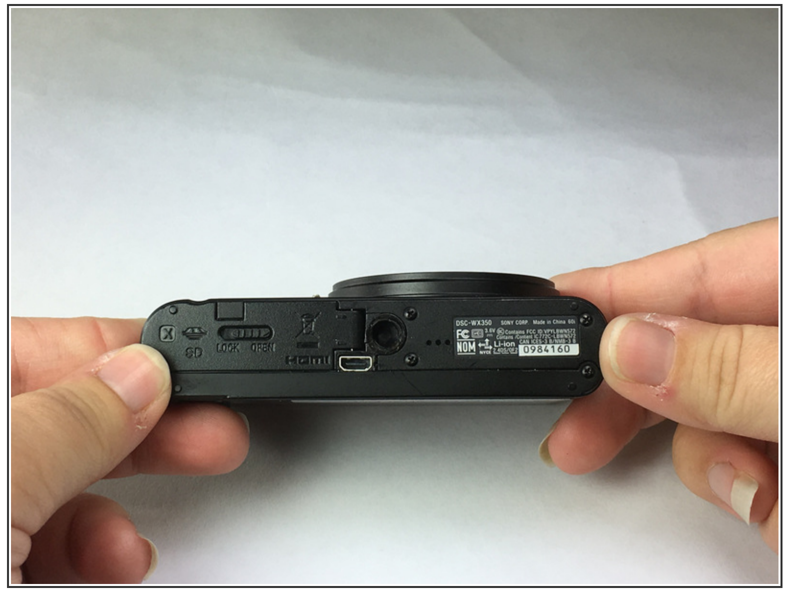

This guide is a step-by-step instruction manual on how to replace the battery in this camera.

Written By: Jit Banerjee

Step 1 — Battery

- Turn the camera upside down, with the camera screen facing toward you, find the switch labeled "Lock" and "Open".
- Move the switch to the position labeled "Open"

⚠ Be careful, the hinge will quickly swing upward so to avoid damage, hold the end of the switch

Step 2

- Insert the battery into the camera

To reassemble your device, follow these instructions in reverse order.
